

Kimball, Tirey & St. John LLP 2011 Legal Seminars

Landlord/Tenant Law

There are NEW laws for 2011 that you must know about. Join us at our annual nuts and bolts Landlord/Tenant Law course for managers, leasing agents, supervisors and rental owners. Whether you are a new employee or a seasoned professional looking for a refresher course and legal update, this in-depth seminar covers it all.

Fair Housing

Make sure that **EVERYONE** on your staff receives up-to-the-minute fair housing training. Every person on your staff has personal liability in a complaint—subjecting his or her supervisors, management company and owner to serious penalties. We'll help you recognize your basic day-to-day fair housing responsibilities and show you how to respond appropriately to the many situations you may face on your property.
