March 2010

Hello Crime Free Partners! Happy 2010!

Here we are in 2010...wow!

We have been making some big plans and major changes for the upcoming year plus our newest change RPD Crime Free Coordinator Kim Crutchfield! Welcome back Kim! It is going to be an amazing year for our Association!

Thanks to all those who donated the food and toys for our kids at CSDR. You made Christmas special for many kids! We will still accept food donations every month at our meetings. There are many families at CSDR that need our help.

There is currently a family at CSDR that really needs our help with the most basic necessities we use everyday. Please bring donations to our next meeting.

Countdown is on for our 2010 International Crime Free Conference. It is here in California this year. Fairfield to be exact and they have promised us the best one yet! So if you

are interested in going stay tuned for updates and of course save that date! July 12,13 and 14th.

Crime Free Partners' Board

FROM THE DESK OF JOHN START

Welcome Kim

We have a new Crime Free Multi-Housing Coordinator with the Riverside Police Department; Kim Crutchfield. Kim is an experienced police officer who will bring a high level of professionalism, determination and understanding (your needs) to our program. As Managers and Owners of rental property you should look forward to working with Kim for those police issues that arrive on your properties.

A new year is here and that means that we will be having a whole new list of advanced classes that will be credited toward the advanced training requirement on your CFMH Certification. Your board has worked hard to find new and inspiring training classes and will be adding those as well as redoing some of the more demanded classes (ie Legal Update, Documentation and Applicant Screening).

I'll be looking forward to seeing all of you at our next General Membership Meeting in March.

John Start
President
