

*Connecting Apartment Owners  
& Property Managers to  
Pre-Qualified Renters*

***Benefits:***

- Provide Instant Apartment Info 24/7
- Fill your Vacancies Fast
- Only talk to renters interested in viewing your apartment
- Respond on the go, without giving out your cell phone number.
- Maximize your advertising dollars: use our service for your online, newspaper and other advertisements.

***How It Works:***

- Prospective renters receive instant apartment info by text messaging the apartment keyword listed on the For Rent sign (we provide your signage). Within seconds they receive listing information and if interested the renter replies and their contact information is forward to the property manager or owner within seconds.
- Respond at your convenience to only renters who are interested in viewing your apartment.
